6 hours or more -- \$225/hr

- Cash
- Zelle
- Venmo (2% fee)
- Credit/Debit Card (2% fee)

#### Attire

- Remember – when you have a placement that is generally covered by clothing, dress accordingly for your appointment.
- If you're doing a thigh piece, a swimsuit bottom that ties on the side is perfect.
- Sternum – usually you will need to wear pasties. I can provide these. Wear a jacket with a zipper in case you get cold or want to cover your back/shoulders.
- Back pieces -- a swimsuit that ties (for full back pieces or large ones, bring a zip up sweater)
- We want to be able to place the stencil in the most natural position so no compression bras or shorts if they will be near the tattoo.
- Please wear dark clothing in the case that ink gets on your clothing

#### Aftercare

- Please ask me for the aftercare form if you'd like it before your appointment.
- It will be provided to you at your appointment
